If the repairer is near your home address the RAC will also take you there.

Please note: recovery must be arranged with us while we are at the scene.

Onward travel

If we attend a breakdown under Option C and cannot fix the car on the same day, we will help the driver by making arrangements to allow the continuation of the journey. The driver can choose one of the following options, subject to availability:

1. Alternative transport

If the driver would prefer to continue the journey by air, rail, taxi or public transport, we will contribute up to £100 towards the cost for this.

2. Overnight accommodation

If the breakdown occurs more than 25 miles from your home address or the intended destination, the driver may decide that waiting for the car to be fixed is best. We will arrange one night's bed and breakfast accommodation, (excluding alcoholic drinks) up to a value of £150 per person or £600 per breakdown.

3. Hire Car

We will arrange and pay up to £100 towards the cost of a hire car up to 1600cc to complete your journey.

This is subject to you or your passengers meeting the conditions of the hirer.

Any authorised car hire must be arranged within 24 hours of the breakdown.

 - delivery and collection of the car hire; or

4. Provision of a chauffeur

If the only driver is unable to complete your journey due to illness or injury, RAC will pay for a Chauffeur to drive you and up to eight passengers, your car and your baggage to your destination anywhere in the UK. This is discretionary and you may have to show medical certification at the time of illness or injury.

5. Urgent message relay

If the car has broken down and the driver needs to get in touch with friends, family or business associates urgently, we will relay up to three messages to inform them of unforeseen travel delays.

4. A second recovery owing to the intended original destination being closed or inaccessible.

Caravan and trailer cover

- Fits to a standard 50mm towball; and
- Is not more than 7m long (with load) and/or 3m high (with load); and
- Does not weigh more than 3,500kg when loaded; and

Option D – any car extension

This benefit can be added to Options A, B or C.

You and your partner will be entitled to the same level of cover provided under your selected Option when travelling in **any other car** or car-derived van up to 3,500kg when loaded provided that the car concerned does not fall within one of the exclusions of this cover.

General Conditions

The following conditions apply to all sections of this breakdown assistance cover. If you do not comply we can refuse cover and/or cancel your cover.

1. You must pay your premium.
2. You must request services directly from us, as we will only provide cover if we make arrangements to help you.
3. Where the breakdown is caused by a component failure this must stop the car from working, so for example an air-conditioning failure in itself does not constitute a breakdown, and the illumination of a warning light does not always constitute a breakdown. If it does not, you will need to take your car to a place of repair and this will not be covered.
4. We will not cover any claim where the car is already at a garage or other place of repair.
5. Where we deem, acting reasonably, that you requested service to avoid the cost of repairing the car, or to correct an attempted repair by someone else, we will not provide cover.
6. A driver must be with the car when we attend.
7. You are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a car. We will not be responsible for any loss of or damage to them.
8. Where we recover passengers under the age of 16, they must be accompanied by an adult.
9. We will not transport any animals in our vehicles other than domestic pets which are suitably controlled or contained within a suitable travel container. We will not be liable for any injury to, damage caused by, or any costs relating to animals.
10. The car must not carry more passengers than the number stated in the vehicle's registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
11. Where we provide a repair to the car, whilst we are responsible for that repair, this does not mean that we are confirming the legal and roadworthy condition of the car. This remains your responsibility.

12. We will not be responsible for any losses that may incur following a breakdown that are not expressly covered by this cover. For example, we will not pay for any loss of earnings or missed appointments.
13. We do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst we will try to check that the garage will undertake the type of repairs required, we cannot guarantee this. We will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between you and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, our services can be interrupted. We will resume our service to you as soon as we can in these circumstances.
15. The cost of the following is not covered:
 - a) specialist equipment;
 - b) tolls, ferries or congestion charges for the car and our vehicle;
 - c) any damage to glass even if the damage means the car cannot be legally or safely driven. We will arrange transport to a local garage so you can arrange to get the car repaired but you will have to pay for this;
 - d) spare tyres and wheels and repairing or sourcing them;
 - e) recovery by someone other than RAC even if this is requested by the emergency services.
 - f) damage or costs as a result of breaking in to your car because your keys have been lost or stolen.
 - g) the cost of draining or removing the wrong or contaminated fuel. The RAC will arrange for the car to be taken to a local repairer for assistance, but you will have to pay for the work carried out.
16. In handling any claim there may be more than one option available to the driver under breakdown assistance cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with the driver, and act reasonably at all times.
17. This cover can not be used if the car is not privately owned or is being used for hire and reward and/or courier services.
18. Breakdown assistance cover does not cover:
 - a) routine servicing, maintenance or assembly of the car;
 - b) caravan or trailers, except as described;
 - c) use of your car for business, including for example demonstrating, carrying trade plates, commercial travelling and use for hire and reward;
 - d) breakdowns resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - e) breakdowns that occur off the public highway to which the driver or we have no legal access;
 - f) the car if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g) cars that are not in a roadworthy condition. If we consider, acting reasonably, that the car is not in a legal or roadworthy condition, we can refuse to provide service. If you can demonstrate that the car is roadworthy we will provide service;
 - h) any claim that is or may be affected by the influence of alcohol or drugs;
 - i) any claim under this cover where the breakdown was first reported to us under a different policy.
19. If the driver is asked to review and approve a document recording the condition of the car, including an electronic form, it is their responsibility to ensure that the record is accurate and complete, and we will not be responsible for any errors or omissions.

Additional Services

Following a breakdown, for an additional charge RAC Motoring Services can offer the following:

1. Purchase of parts needed to get on your way;
2. Specialist equipment to complete the repairs;
3. Extended hire time;
4. Arrangement of a second or extended recovery.

The above will be agreed with you before service is provided.

Each driver must not:

1. Behave inappropriately towards us, including acting in a threatening or abusive manner, whether verbally or physically;
2. Persuade or attempt to persuade us into a dishonest or illegal act;
3. Omit to tell us important facts about a breakdown in order to obtain a service;
4. Provide false information in order to obtain a service;
5. Knowingly allow someone that is not covered to try and use a service under this breakdown assistance cover;
6. Pay for additional services or goods in the knowledge that the payment has or will fail, with no intention of providing alternative payment.

If these conditions are not complied with, we together with esure Insurance Ltd may:

1. Restrict the cover available to you at the next renewal;
2. Restrict the payment methods available to you;
3. Refuse to provide any services to you under this breakdown assistance cover with immediate effect;
4. Immediately cancel this breakdown assistance cover; and
5. Refuse to sell any breakdown assistance cover or services to you in the future.

If any claim is found to be fraudulent the breakdown assistance cover will be cancelled with effect from the date of the fraudulent act, and the fraudulent claim forfeited. esure Insurance Ltd will not refund any premium and will notify you in writing if they decide to take any of the above steps.

Other organisations within the RAC group

As a large organisation there are different parts of the RAC group that do different jobs. This includes RAC Motoring Services who look after you if your car has broken down and, depending on the cover provided, RAC Insurance Limited which provide our insurance and upgrade products such as onward travel. your data with our advisors and other parties in the deal. We will only do this when we consider it is absolutely necessary and only where we have assurances about the safety and security of your data.

Our rights

We may record your telephone call and keep emails and letters to ensure our Customer Service Teams are giving the best customer care, and when you need to query what information we have given you.
